

Welcome To Our Practice!

Fees and Payments

We are here to provide the best dental experience and the best dental care for you and your family. We are happy to bill your dental insurance for services rendered in our office. All co- payments are due at the time of service. For your convenience, we accept all major credit cards, checks and cash for payment.

If your dental insurance is not affiliated with Delta Dental, we offer a 5% discount for payment for the entire cost of treatment (including the estimated insurance coverage) in full at the time service with cash or check. Delta Dental members already receive a significant discount because our office is contracted with them.

You will be responsible for any balance remaining after insurance pays.

By signing this, I am fully aware of the financial policy for Rosenwald & Associates. I give them permission to bill my insurance for reimbursement. I accept full responsibility for my account and agree to remit payment for any balance in a timely manner.
